## 30 Years as a Chapter August 2017 Newsletter

Volume 21

Issue 8

### ***PRESIDENT'S NOTES:***

Just wanted to let everyone know that the chapter voted to help with the Flood Victims of North Central West Virginia. The chapter went to Sam's Club and purchased about \$1,000.00 worth of supplies and took the items to a couple fire departments to be given out to the flood victims. I want to thank Sheriff Robert Matheny, Rick Miller and the Harrison County Sheriff's Department to helping the chapter with delivering the supplies. Sheriff Matheny loaned a department truck and trailer and it was driven by Rick Miller who also help unload the trailer.

Remember that later this year our chapter will have an election for officer for the 2018 & 2019 years. Nomination will be at the October meeting. If you are interested in running please send me an article so I can put it in the newsletter for the members to know that you are running. Election will be at the November meeting.

On Sunday, August 6<sup>th</sup> members met at the Simpson Creek Covered Bridge in Bridgeport, WV and had a chapter group picture taken. This is the same location that the Clarksburg Exponent paper took a picture of the chapter in August of 1987 when we got our charter. On Monday, August 7<sup>th</sup> the chapter held its annual chapter picnic at the Lewis County Park, 257 Smith Run Rd, Weston, WV 26452. The weather was not the best but we had a very good time. Thank you, Brother Hoskins, and his staff for all the hard work to put on the picnic.

Board of Directors meeting for Monday, August 14, 2017 was cancelled due to lack of quorum.

It appears that we have given nearly \$7,000.00 in donations/sponsorships so far in 2017. We are helping our communities.

### ***VICE PRESIDENTS NOTES:***

**Our next meeting will be Thursday, September 14, 2017** it will be at the 19:00 Hours (7 PM) at Blue Knights West Virginia 2 Clubhouse, 245 Emily Drive, Clarksburg, WV 26301. We will have pizza before the meeting.

It appears that about 4 members have not sent in their 2017 dues, so President Martin has had them placed as members (not in good standing) and release them from our membership list.

Also, I would encourage you to talk to someone that would be a great addition to our BK WV II membership that meet the requirements and plant a seed with them about becoming a BLUE KNIGHT. If you need a poster or other information about the Blue Knights let us know and we will get it to you. You can put it up at work or another agency.

### **Autumn Riding Tips**

Some bikers put their motorcycles away after Labor Day weekend, but many look forward to what can be some of the best riding weather. If you're planning on riding during autumn, make sure your bike is safe and ready to handle the change of the season.

Here are a few safety reminders to help you stay safe and avoid a [motorcycle accident](#), even as the leaves begin to change:

#### **Check the Mechanics**

After the summer riding season, your bike may need a tune-up. Check that all parts are functioning correctly and that you have good tread and air pressure in your tires. Make sure your fluid levels are good and that all controls are working properly.

#### **Wear Proper Clothing**

Autumn has many temperature changes. It can be quite chilly in the morning and still reach the mid-70s or 80s in the afternoon, depending on where you are. The best thing you can do to adjust to the changes is to dress in layers. You should never wear cotton as a base layer. Use thermal underwear or something with a synthetic blend as your base layer. On top of the base layer, wear comfortable riding attire. Don't wear a hoodie, but rather a zip-up sweatshirt or shirt.

#### **Beat the Wind with Leather**

It might be too hot to wear leather during the summer, but it's perfect for fall. Leather motorcycle jackets or chaps can protect you from the wind and keep you more comfortable while riding. They usually also have removable liners.

You can wear riding boots with synthetic liners and wool socks. This combination will let your feet breathe in case they get warm.

Finally, it's a good idea to wear a pair of synthetic glove liners underneath your leather biker gloves and pack fingerless leather gloves in a storage compartment. You'll be able to switch in the afternoon when you get too warm.

#### **Switch to a Half- or Full-Visor Helmet**

Cold air can be harsh on your eyes, so switch to a Department of Transportation-approved helmet.

#### **Bring Your Rain Gear**

A raw, chilling rain can cause hypothermia quickly, especially if you're not wearing the best riding attire. Always pack your rain gear, just in case.

#### **Watch for Riding Hazards**

Fallen leaves can be very slippery and cause accidents, and many deer are more active during autumn – especially during dawn and dusk. Keep your eyes out for any riding hazard so you have time to react.

## **Chaplain's Corner**

Exodus 3:1-5 tells the story of Moses' encounter with the burning bush. The story is part of a larger story which includes Moses killing an Egyptian slave master and then fleeing to the hills. He consequently finds work caring for the sheep of a man who

would become his father-in-law. While doing a very ordinary thing, i.e., watching sheep graze, he sees this bush on fire and goes to investigate. This is when God spoke to him.

The story reminds me that God came to so many of the prophets and spiritual leaders of the Bible in the ordinary activities and events of their lives. I believe God continues to be revealed in these ways; however, it is most often that we are not paying attention or fail to investigate the feeling or sense that there is something very extraordinary going on in our lives.

While we may never lead slaves to freedom we do have many opportunities to be a voice of hope and reconciliation in our world. We have opportunities to show compassion in our dealing with others, to be a healing word to friends and neighbors who may be struggling. In our particularly busy, chaotic world filled with interruptions from phones and other sources it is easy to ignore the burning bush or to recognize we are standing on holy ground. God invites us to take off our shoes and to feel how holy every minute of our lives can be.
